1 Mock-Up

1.1 Login

1.1.1 Description

This page is used to login to the Leave Inform Portal. The same login screen is shared by both supervisor and employees.

1.1.2 Wireframe

The wireframe shows a web browser window titled "Medical Leave Manager". The main heading is "XYZ Company Leave Inform Portal". Below the heading, there are two input fields: "Employee ID" and "Password". A "Login" button is positioned below the "Password" field. At the bottom of the page, there is a footer that reads "© 2018 XYZ Company".

Figure 1: Login page

1.1.3 Status

The page accepts any combination of username and password now since authentication is not coded in yet. Only supports employee portal options. Supervisor portal functionalities are not available.

1.2 Employee - Inform Leave

1.2.1 Description

This is the page that an employee is redirected to after login. The page gives an employee the option to inform a sick leave.

1.2.2 Wireframe

The wireframe shows a web application window titled "Medical Leave Manager". The main heading is "XYZ Company Leave Inform Portal". On the left is a sidebar with the following menu items: **Inform**, **Update**, **My Info**, **Clinics**, and **Logout**. The main content area is titled "Inform Leave". It contains a "Remarks" label next to a large text input field. Below that is a "Date" label next to a date input field showing "12 May 2016" and a calendar icon. At the bottom of the form is a "Submit" button. The footer of the page reads "© 2018 XYZ Company".

Figure 2: Employee - Inform Leave

1.2.3 Status

No action built to the submit button yet.

1.3 Employee - Update Leave

1.3.1 Description

Once the leave is informed and approved by manager, employees can upload the medical certificate from this page. The page also lists the approved clinics that the employee can choose from.

1.3.2 Wireframe

The wireframe shows a web application window titled "Medical Leave Manager". The main header is "XYZ Company Leave Inform Portal". On the left is a sidebar menu with links: "Inform", "Update" (highlighted), "My Info", "Clinics", and "Logout". The main content area is titled "Update Leave Request". It contains the following fields:

- Remarks:** A large text area with a small icon in the bottom right corner.
- From:** A date picker showing "12 May 2016".
- To:** A date picker showing "14 May 2016".
- MC:** A "Choose File" button and the text "No File Chosen".
- Clinic:** A dropdown menu with "Select" as the current selection.
- Duration:** "2 Days" is displayed next to the date pickers.
- Submit:** A button at the bottom right of the form.

At the bottom of the window, there is a footer: "© 2018 XYZ Company".

Figure 3: Employee - Update Leave

1.3.3 Status

No action built into the submit button yet.

1.4 Employee - My Info

1.4.1 Description

The leave history and any pending leave status are available in this page. This page is used by employees to view their own leave history and status.

1.4.2 Wireframe

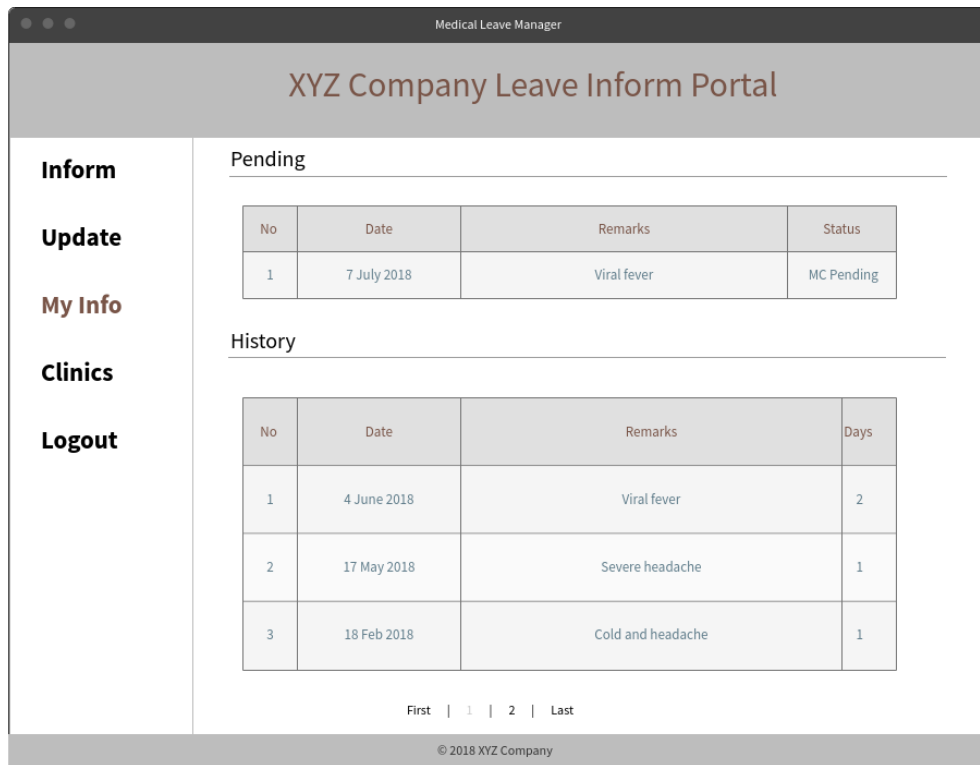

Figure 4: Employee - My Info

1.4.3 Status
