1 Design

1.1 Login

1.1.1 Description

This page is used to login to the Leave Inform Portal. The same login screen is shared by both supervisor and employees.

1.1.2 Wireframe

The wireframe shows a web browser window titled "Medical Leave Manager". The main heading is "XYZ Company Leave Inform Portal". Below the heading, there are two input fields: "Employee ID" and "Password". A "Login" button is positioned below the "Password" field. At the bottom of the page, there is a footer that reads "© 2018 XYZ Company".

Figure 1: Login page

1.2 Employee: Inform Leave

1.2.1 Description

This is the page that an employee is redirected to after login. The page gives an employee the option to inform a sick leave.

1.2.2 Wireframe

The wireframe shows a web application window titled "Medical Leave Manager". The main heading is "XYZ Company Leave Inform Portal". On the left is a sidebar with the following menu items: **Inform**, **Update**, **My Info**, **Clinics**, and **Logout**. The main content area is titled "Inform Leave". It contains a "Remarks" label next to a large text input field. Below that is a "Date" label next to a date input field showing "12 May 2016" and a calendar icon. At the bottom of the form is a "Submit" button. The footer of the page reads "© 2018 XYZ Company".

Figure 2: Inform Leave

1.3 Employee: Update Leave

1.3.1 Description

Once the leave is informed and approved by manager, employees can upload the medical certificate from this page. The page also lists the approved clinics that the employee can choose from.

1.3.2 Wireframe

The wireframe shows a web application window titled "Medical Leave Manager". The main header is "XYZ Company Leave Inform Portal". On the left is a sidebar with navigation links: "Inform", "Update" (highlighted in red), "My Info", "Clinics", and "Logout". The main content area is titled "Update Leave Request". It contains the following form elements:

- Remarks:** A large text area with a small icon in the bottom right corner.
- From:** A date picker showing "12 May 2016".
- To:** A date picker showing "14 May 2016".
- MC:** A file upload button labeled "Choose File" with the text "No File Chosen" below it. To the right of the button, it says "2 Days".
- Clinic:** A dropdown menu with "Select" and a downward arrow.
- Submit:** A button at the bottom right of the form.

The footer of the window contains the text "© 2018 XYZ Company".

Figure 3: Update Leave

1.4 Employee: My Info

1.4.1 Description

The leave history and any pending leave status are available in this page. This page is used by employees to view their own leave history and status.

1.4.2 Wireframe

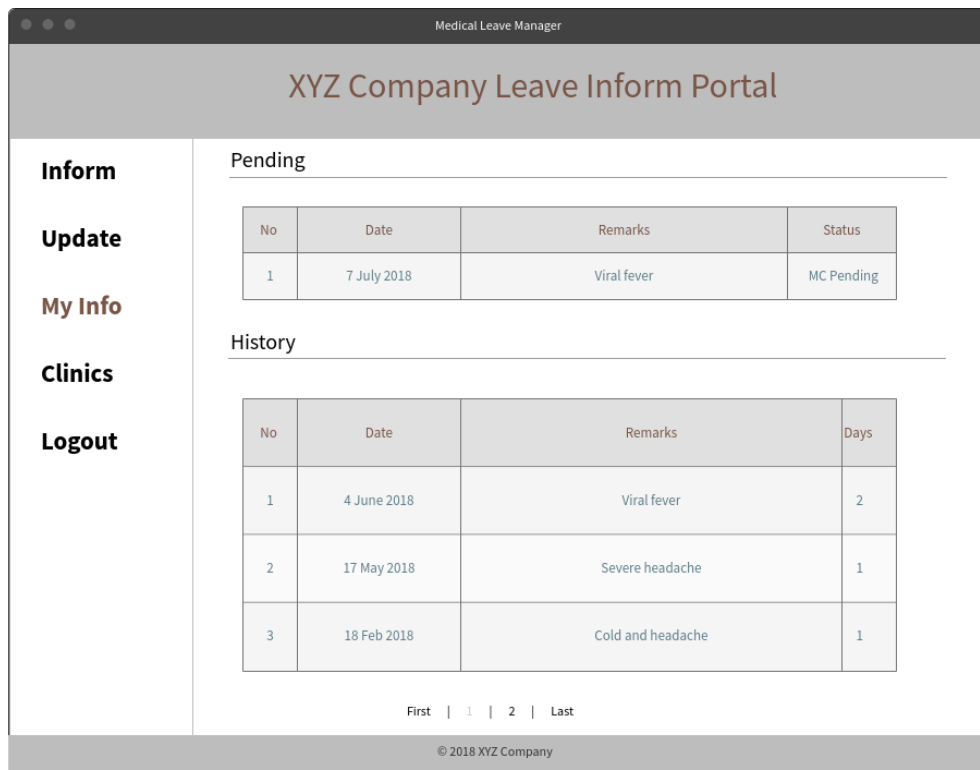

Figure 4: My Info

1.5 Clinics

1.5.1 Description

This page lists all the clinics and hospitals approved by the company.

1.5.2 Wireframe

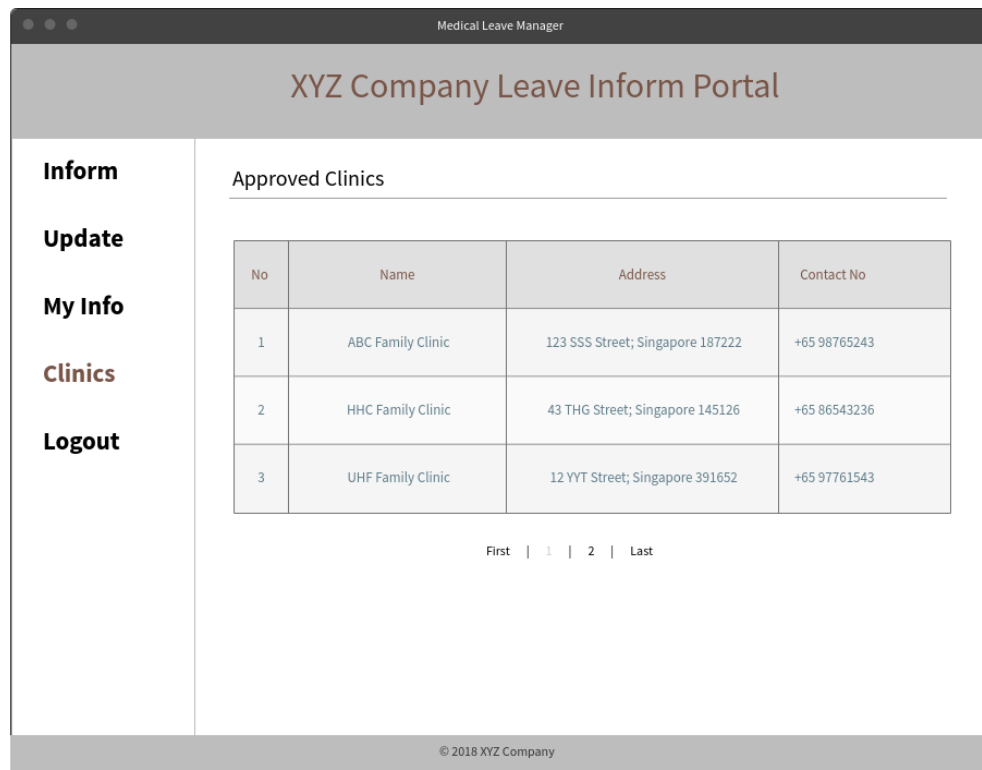

Figure 5: Clinics

1.6 Manager: Pending Approvals

1.6.1 Description

The supervisors are redirected to this page after logging in. This page lists the pending leave information approvals for the day. Supervisors can 'Approve', 'Reject' or 'View' the leave request.

1.6.2 Wireframe

Figure 6: Pending Approvals

1.7 Manager: Leave Inform Details

1.7.1 Description

Supervisors can view all the details about the leave inform and the employee in this page. The tasks allocated to the employee and their status are also displayed in this page. This page also provides the supervisor options to 'Approve' or 'Reject' the leave information.
